Hi, I'm Kelli! I'm 5'2" but what I lack in height I make up for in laughter! I love bargains that look and feel luxury and I present all with a positive attitude to an organically-grown, diverse community.

Married for 19 years with two teenagers and a puppy, I'm a 40+ blogger sharing fashion, beauty trends, home decor, body positivity, travel, and life. I've created a space that welcomes everyone and encourages all.

Just think of me as your fun aunt. And I'm ready to partner with you!
